

LR Dynamic Events announces participation in European series Ligier 2022

The Italian team **LR Dynamic Events** strengthens its partnership with **Ligier Automotive**. After confirming its role as **Official Partner** of the French brand for the promotion of Ligier JS2 R and Ligier JS P4 on the Italian territory, today the team based in Fabriano announces its participation in the **Ligier European Series 2022**.

The drivers line up of the Ligier JS P4 will be composed by **Simone Riccitelli**, Italian Champion of the GT4 sprint series in 2019 and 2020, fresh of the experience in the DTM trophy in 2021, and by **Nicola Neri**, the driver known for his presence in the Italian GT Championship and former member of BMW Team Italia.

The LR Dynamic Events will participate in **all six events** scheduled in the calendar of the Ligier European Series 2022, races that follow the European Le Mans Series and the famous **24 Hour of Le Mans**, during the weekend of 8-11 June.

Nicola Neri: *"This year I will face this new adventure with a lot of emotion and enthusiasm, but also with the hope of being competitive from the start of the championship. I'm also happy to have Simone with me, we share some races together and we always had fun, I can't wait to start!"*

These the words from to a motivated **Simone Riccitelli:** *"I am very happy to return in the Ligier European Series with Nicola Neri, we have shared many races together, including the last race at Portimao last year. We will start working immediately with our team on the set-up of the car to arrive at the first round as prepared as possible; **our goal is clearly high!**"*

Word also from **Luca Riccitelli, Team Manager of LR Dynamic Events:** *"As a team participating in the Ligier European Series will be a **great challenge** and we can't wait to jump into the field. The Ligier JS P4 is a really nice car and for us it will be very interesting to understand its dynamics. We have a good line up and we are sure that we will do a great job. We also have a Ligier JS2 R and we are working to find drivers available to enter the season. Our aim is to have both cars at the start of the season in Le Castellet!"*
